Dear Hiring Manager,

RE:APPLICATION FOR INTERNSHIP PLACEMENT AS OF MEIX 01

Re: Application for Internship Placement

I am writing to express my interest in securing an internship position at Hima Cement. I am currently pursuing a **Bachelor of Science in Computer Science** at **Uganda Martyrs University**, and I am in my second year of study. As part of the university's academic requirement, I am expected to undertake an industrial training program to gain hands-on experience in the field.

I am particularly interested in joining Hima Cement due to its reputation for innovation and excellence in the field of IT and Computer Science. I am eager to apply the theoretical knowledge I have acquired in areas such as programming, web and graphics designing, database management and systems analysis to real-world projects, while learning from seasoned professionals.

I am a fast learner, a good team player, and I possess strong problem-solving skills. I am confident that my enthusiasm for technology and my commitment to learning will make me a valuable addition to your team during the internship period.

I would be grateful for the opportunity to contribute at Hima Cement and grow both personally and professionally. Please find my CV attached for your review. I am available for an interview at your convenience and can be reached via email or phone.

Thank you for considering my application. I look forward to the possibility of working with your team.

Yours faithfully,
Mwebesa Johnson.

MWEBESA JOHNSON.
